at Cinco Ranch Church of Christ

PARENT HANDBOOK

Letter of Welcome

Dear Little Ranch Preschool Parents,

We are so pleased to have the opportunity to work with your child this school year. God has blessed you with your beautiful child and we are humbled to be a part of these early years. Our teachers and school board have a common goal of loving God, loving others, and reaching out to the world. We hope you will see our love in action during this school year.

It is our intention to be a positive influence on your child. We want to make a difference in their lives and at the same time hope to be a part of yours. Partnering with you will enable us to bring a smooth transition from home and school.

Little Ranch Preschool Staff

Our Purpose

The **Little Ranch Preschool** is to be an outreach for Christ to our community and church family, by loving, nurturing and teaching children to know the awesome love that God has for all of us. We will strive to help each child feel good about himself/herself and the world around them. We want children to experience God's love for them through loving relationships and happy times, at school, in a Christian environment.

Nondiscriminatory Policy

The Little Ranch Preschool admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national or ethnic origin in administration of its educational policies, admissions policies, scholarship programs and other school-administered programs.

Children with Disabilities

Little Ranch Preschool will accept children in compliance with the American with Disabilities Act (ADA), its regulations and any other applicable local state or federal laws pertaining to the provision of services to those with disabilities. However, due to financial limitations (funding for additional staff or special education training for staff), there may be situations in which enrollment of a student with a disability would constitute an undue financial burden on Little Ranch Preschool. Each situation will be handled on a case-by-case basis during any school year.

501(c)(3) Tax-exempt Status

The Little Ranch Preschool is a non-profit corporation and is recognized as tax-exempt 501(c)(3) organizations by the internal revenue service. We operate within the guidelines and tax requirements necessary to maintain our non-profit status. This allows us to accept tax-deductible donations as well as grants and foundation funding. If there are any questions or concerns, please contact us by phone or email.

Curriculum

The **Little Ranch Preschool** curriculum is designed to help your child develop in all areas appropriate to their age level. We use Frog Street Press for all our classes. In addition, Handwriting Without Tears is used in the 3 year old classes. Our classes are for children 18 months to 3 years of age and are arranged into structured academic learning through centers, individual teaching and group instruction. Children are able to make choices and participate in small group activities.

We also include Bible lessons into our daily learning through large group instruction, small group instruction, crafts, activities, and songs. Each Bible lesson is geared towards young children.

Our goal is to provide a safe and nurturing environment that promotes the physical, social, emotional, cognitive and spiritual development of young children allowing them to grow and

develop. The **Little Ranch Preschool** will be a positive beginning to a learning experience at school.

If you would like to review the specific lesson plans, you may request a meeting with the Director and/or your child's teacher.

Newsletter and Daily Report

- A monthly newsletter will be sent through ProCare each month to keep you posted about the latest happenings at school. Post this where you can refer to it weekly. Updates will be sent home in child's folder and a weekly school news email will be sent out through the ProCare App. Calendar updates and additions can also be found through the ProCare App.
- You will receive a brief daily report of your child's activities for the day through the ProCare App.
- We will be sending pictures through a PRIVATE Facebook Group for Little Ranch parents. We will not use those pictures without permission on our business page, website, or any other promotional platform. Although parents can opt out of allowing their children's photos to be on our business pages, we will not have an option for parents to opt out of photos on the private group page.

Transportation

Parents are responsible for all transportation of their own child. The Little Ranch Preschool does not transport children on field trips.

Drills

Fire Drills, Intruder Drills, and Bad Weather Drills will be conducted each semester. We will use these drills to help the children get used to emergency situations in a friendly environment.

Praise and Worship Time

Praise and Worship Time is held each day. This time consists of interactive songs and movement as well as a 2-3 minute Bible Lesson. This is a special time for children to sing, listen and learn about God's word. Our hope is that the children will learn about God's wonderful love.

Story time

Story time is used to encourage young children to develop a love for reading. The books may be told with interactive tools such as a storyboard, puppets, etc. Our intention is for the children to have exposure to many types of books and stories.

Orientation for Parents and Meet the Teacher

Your child will meet their new teacher on this day. The teacher will briefly go over classroom schedules and policies with you. There will also be a brief ProCare App tutorial that will be held during Meet the Teacher. Check with the school calendar for Orientation Day.

Parent Visitation

Parents are always welcome to observe the classroom. You must come to the LRP office and receive permission from the director to enter the classroom.

Parent visitation, drop off, pick up, and events may be restricted during times of local pandemic or emergency.

Solicitation

School policy prohibits any information or literature to be sent home with our children without the approval of the Director.

Grievance Procedures

Grievances should be brought to the attention of the Director. Every effort will be made to resolve any issues. The School Board will arbitrate in cases of unresolved issues.

Guidance and Discipline

We at the Little Ranch Preschool understand that discipline must be individualized and consistent for each child, appropriate to the child's level of understanding and directed toward teaching the child acceptable behavior and self control.

The Little Ranch Preschool will only use positive methods of discipline and guidance that will encourage a child's self-esteem, self control and self direction.

Positive guidance teaches children skills that help them get along in their physical and social environment. Our goal is to develop personal standards in self discipline, rather than simply enforcing a set of inflexible rules. Giving children understandable guidelines and re-directing their behavior helps them develop internal control of their actions and encourage acceptable behavior.

We will use the following guidance and discipline methods:

1. Praise and encouragement of good behavior instead of focusing only upon unacceptable behavior.

2. Reminding the child of behavior expectations daily by using clear positive statements.
3. Redirecting the child's behavior using positive statements.
4. Use of brief supervised separation from the group or 'think time'

Any child with excessive behavior resulting in the injury to him/her, any other child or any LRP staff will be dealt with in the following manner:

Incident to be confidentially recorded and will include detail of time, date, name of student(s) involved.

1. Parents of student(s) involved will be informed and meeting with teacher and the director will take place.
2. If aggressive behavior continues then the teacher and director will meet, and depending on each circumstance, decide what actions to take including, but not limited to, suspension of the child or other recommendations the School Board determines necessary for the particular circumstance. Every effort will be made to work with parents to resolve the situation. After 3 incident reports, the director has the discretion to unenroll the child from preschool.

Medication authorization forms are available in the LRP office.

A Medication Form must be completed before the Director or someone designated by the Director can administer the medication.

Emergency Procedures

You will be required to fill out an emergency card prior to the start of school. In case of an accident or sudden illness, we will always attempt to contact:

- The parents at each of the phone numbers provided to us.
- The people listed as emergency numbers on the information form.

All numbers should be current, and emergency contacts should be aware that they will be called if needed.

The Director and parent/emergency contact will determine together what medical aid, if any, should be sought.

In the event that we are unable to reach either parent or an emergency contact, the Director will consult the child's physician for advice as to medical treatment.

The child's parents will be responsible for all bills that might incur from emergency treatment or transportation.

If your child experiences a minor injury at school, the teachers and/or Director will treat the wound and send home a note explaining the incident through ProCare.

911 will be called for medical emergencies.

The Director, with Little Ranch Preschool Board approval, has the right to withdraw any student, if the student, student's parent, or family member is verbally abusive, poses a physical threat, or compromises the dignity or reputation of Little Ranch with words or actions towards the director, board members, staff, or other students and parents. Refunds in these circumstances are subject to board review and approval.
